Channel owner can define their own spam comments. Click on Custom Words to add new word that will be considered as spam.

The screenshot displays the ND-YTSCAM dashboard interface. On the left is a dark sidebar with the logo 'ND-YTSCAM' and the tagline 'No more scammers'. Below the logo is a user profile for 'ND Ytscam' with a 'Basic (Free)' status. The sidebar contains a search bar and a list of menu items: 'Dashboard', 'Custom Words' (highlighted in blue), 'Not Spam Words', 'Sentiment Analysis', and 'Sign out'. The main content area is titled 'Custom Words' and includes a search bar with a 'Search' button and an 'Add +' button. Below this is a table with the following structure:

#	Spam Word / Text	Action
1	awesome	[Edit] [Delete]

At the bottom of the dashboard, there is a copyright notice: 'Copyright © 2021. Designed by CABC'S Group India' and a version indicator 'Vers' followed by a blue button with an upward arrow.

Similarly channel owner can define words that will not be considered as spam. Click on the Not Spam Words menu and create new word

Finally user can logout the application by click on the logout button.
